RULES AND REGULATIONS: A separate sheet of rules and regulations will be provided when you arrive. Although we try to keep these to a minimum, there must be a few rules for the benefit of all who live in the Bibleville community. Please refer to these Rules regarding the use of washers in RV units. There are three laundry rooms on the grounds for your use. **ALCOHOLIC BEVERAGES AND SMOKING ARE PROHIBITED ON THE CONFERENCE GROUNDS.** The Bibleville Dog Rules & Regulations are enclosed.

Lots 47 through 53 cannot be over 27 feet; exception will be made for 29 foot 5th wheel.

If you have been assigned to one of these lots and purchase a larger unit, you need to notify us at once to see if we have a lot available that will accommodate your new unit. If you wait until you come, it is possible that we may not have a suitable site available.

STORAGE of recreational vehicles is available during the summer months for \$20 per month. By order of the Grounds and Facilities Committee, there will be a charge of \$20 to have your RV placed in storage and another \$20 to have your RV placed on a lot the next Conference season. **NOTICE:** If you have a 5th wheel to be stored, you will be responsible to get it moved on and off. We do not have the equipment to do this. If you wish to store your vehicle for the summer months, please make all the arrangements at the office prior to your departure. The vehicle must be identified on the outside with the number of the lot where it will be placed the following season, and a key for it must be left in the office in case of an emergency.
